CONTRACTOR DETAILS

Proposed construction to be conducted by: Date:

Important Notes:

1. No work without prior approval: no work is to be commenced within the road reserve until written approval to this application is received. The written approval will include type of crossing to be constructed, together with specifications, licences, insurances etc for work in the public road reserve.
2. Maintenance requirements: In accordance with s218(1) of the Roads Act 1993, the owner of land adjoining a public road is liable to pay to the appropriate roads authority the cost incurred by the roads authority in constructing or repairing any special crossing over a footway in the public road for the traffic of vehicles across the footway to or from the land.
